This morning, and every morning of the program, enjoy a delicious, included breakfast.

Enrichment: Thailand’s History & Culture. Learn about this nation's fascinating history and culture during a discussion with a local expert.

Bangkok Highlights. From the pier at your hotel, board a private boat for a cruise along the Chao Phraya River and Thonburi canals. En route to Bangkok Klong, make a photo stop at the Temple of Dawn. During your cruise, take in the colorful river life, which starkly contrasts the frenzied activity of the modern metropolis of Bangkok. Enjoy views of the riverbanks, full of wooden homes atop stilts, colonial buildings and a vibrant local market. Bangkok merchants still use the canals to travel and transport their merchandise throughout the city.

Conclude your cruise at the Tha Chang pier and continue your exploration of Bangkok during a fun tuk-tuk ride. Glide past family homes, temples and a local market on your way to the Grand Palace, a royal and administrative complex also housing the Emerald Buddha Temple. Dating from the 15th century, this beautifully decorated wat (temple) is one of Thailand's most sacred Buddhist shrines. Next, hop aboard your tuk-tuk to travel to Wat Po to see the reclining Buddha.

Lunch at the Blue Elephant. You’ll feel like you are walking back in time as you enter the famed Blue Elephant restaurant. The building that houses the prestigious restaurant was built in 1903 along historic Sathorn Road. Originally the site of the Bombay Department Store, it was restored in 2002 and became the prestigious Blue Elephant Cooking School and Restaurant. Step inside the colonial-style restaurant and take in the Thai-inspired décor that evokes luxury and cultural heritage. Then, indulge in the culinary pleasures of Thai cuisine during lunch here, with offerings ranging from classic Thai dishes to “forgotten recipes” and innovative creations prepared with fresh, local ingredients by skilled chefs.

Free Time: Spend the afternoon at leisure.

Thai Dinner & Cultural Experience. This evening, experience Thailand’s rich culture, history and cuisine at the famous Sala Rim Naam restaurant, located on the scenic banks of the Chao Phraya River. Within an elegant Thai pavilion adorned with wood carvings, silk drapes, golden accents and warm lighting, indulge in traditional Thai cuisine, which has evolved through centuries of Eastern and Western influences. Savor the harmonious balance of sweet, sour, salty and spicy flavors as you are captivated by a Thai dance performance. Witness the artistry of classical dances — each telling stories from Thai mythology, history and folklore — by performers dressed in exquisite costumes, adorned with gold accents and intricate headdresses, gracefully moving to the rhythm of traditional Thai instruments.

Day 5 | Bangkok

Peninsula Bangkok

B | L

Ayutthaya. Depart Bangkok this morning for Ayutthaya, stopping in Bang Pa-In. Visit the stunning European-inspired Bang Pa-In Summer Palace complex, originally built in 1632 by King Prasat Thong, making it almost 400 years old. Although abandoned for a period, it was restored and expanded, with most current structures built between 1870 and 1890 by King Chulalongkorn (Rama V). The complex showcases diverse architectural styles, reflecting Thai, Chinese and European influences. The buildings include traditional Thai pavilions, Chinese-style halls and a Thai Buddhist temple that resembles a Gothic church. On the palace grounds, beautiful gardens and lawns, adorned with ornamental plants, flowers and water features, enhance the aesthetic appeal. Tour the palace and stroll the grounds before continuing to the historic UNESCO World Heritage site of Ayutthaya.

Ayutthaya served as the second capital of the Siamese Kingdom, now Thailand, for more than four centuries. It was founded in 1350 by King U Thong, also known as King Ramathibodi I. Burmese forces laid siege to the city in 1766 and ultimately sacked it. It is in ruins today, but it once was a flourishing city that hosted visitors and delegations from around the world. Strolling among the magnificent ruins, one can easily imagine the glorious island city in its prime. The royal family lived in three palaces here, and residents worshipped at some 400 temples. As you explore, you may see massive brick ruins, lion guardian statues, seated Buddha figures and many other captivating artifacts.

Chao Phraya River Cruise. Embark on an enchanting, leisurely cruise along the Chao Phraya River, which flows through the heart of Bangkok. From this unique perspective, take in the city’s breathtaking skyline, featuring a mix of modern skyscrapers, traditional temples and historic landmarks. While cruising toward Bangkok, savor lunch served on board as you watch scenes of Thai river life glide by — from the markets, warehouses and shops to magnificent temples and bustling villages.

Free Time: Return to the hotel late this afternoon, relax and have dinner on your own this evening.

Day 6 | Bangkok

B | L
After breakfast, transfer to the airport for your flight to Siem Reap, Cambodia. Upon arrival, transfer to the deluxe Sofitel Angkor Phokeethra Golf & Spa Resort for lunch and check-in.

Siem Reap. Discover this quaint provincial capital early this afternoon as you tour Siem Reap by tuk-tuk. The city brims with well-preserved colonial buildings, small cafes, souvenir shops, art galleries and more. After your tour, visit an arts and dance center to see demonstrations by local artisans.

Enrichment: The Temples of Angkor. In preparation for your visit tomorrow, join a local expert to learn about Angkor's archaeological sites, including temples and ruins, as well as water features—such as canals, dams, reservoirs and an irrigation system—that demonstrate the engineering prowess of the ancient Khmer Empire. Siem Reap is Cambodia's capital city and the gateway to the culturally significant Angkor. The Angkor period also fostered the rise of Khmer art.

Dinner is at your leisure this evening.

Day 8 | Siem Reap

Sofitel Angkor Phokeethra Golf & Spa Resort

B | L
Discover Angkor Wat. Explore the breathtaking UNESCO World Heritage site of Angkor Wat, built in the 12th century. It is the largest temple in the world, and the crown jewel of the temples that sit within the 155-square-mile Angkor Archaeological Park. Built by King Suryavarman II as a Hindu temple dedicated to the god Vishnu, Angkor Wat eventually came to be filled with Buddhist elements as the new religion spread across the empire. The main temple, with its central tower rising to a height of 213 feet, was designed to represent Mount Meru, the home of the gods in Hindu mythology. One of the temple's highlights is the bas-relief murals that depict historical events and various scenes from Hindu mythology. These carvings are considered some of the finest examples of Khmer art.

AHI Connects | Rice Noodles . After exploring Angkor Wat, experience a culinary tradition as a local family welcomes you into their home to show you the secret to making traditional rice noodles, a local specialty.

Free Time. Spend the afternoon at your leisure, exploring Siem Reap on your own.

Cambodian Circus. This evening, hop on another tuk-tuk and head to a thrilling Cambodian Circus. Be mesmerized by the captivating choreography and hypnotic color of a high-energy Phare performance. This hour-long spectacle blends riveting theater with folk music, dance and distinctly Cambodian stories.

Day 9 | Siem Reap | Hanoi, Vietnam

Grand Mercure Hanoi

B
Angkor's Temples. Explore Angkor Thom, a great walled city once home to one million people. Built in the late 12th century, Angkor Thom was the last capital of the Khmer Empire, which ended in the mid-15th century. The Bayon is the imposing temple in the center of the city. Its 54 towers feature carvings of more than 200 smiling faces. Admire the bas-reliefs of epic battles. Then, explore the haunting temples of Ta Prohm, where the roots of massive kapok trees have overtaken the buildings. Built by the same king who directed the construction

of Angkor Thom, this Buddhist monastery was once a powerful religious center serving 80,000 people. After centuries of human neglect, the jungle has claimed the temples, courtyards and paths.

Continue to Thommanon, also situated within Angkor Thom. This small but well-preserved temple reflects the Angkor period's classical Khmer art and architecture. Built during the reign of King Suryavarman II in the early 12th century, around the same time as Angkor Wat, Thommanon was dedicated to the Hindu god Shiva. The temple features exquisite Apsara carvings and bas-reliefs that depict scenes from Hindu mythology. Thommanon is known for its symmetrical layout and design, compact size and elegance of architecture. Its well-proportioned structures include a central sanctuary surrounded by a gallery that resembles the shape of a cross.

Free Time: Return to the hotel for lunch at leisure. Spend the remainder of your final afternoon in Siem Reap in independent exploration.

This evening, fly to Hanoi. Upon arrival, transfer to the deluxe Grand Mercure Hanoi.

Day 10 | Hanoi

Grand Mercure Hanoi

B | L | D

Highlights of Hanoi. This morning, we visit the Ho Chi Minh Mausoleum complex. The tomb is monumental, built of marble, granite and precious wood. Behind the Mausoleum is the simple house where Ho Chi Minh lived and worked. It is made of wood and enjoys a tranquil setting, with a view of a lotus pond. Ho Chi Minh’s belongings are on display and visitors can walk up the steps of his house to see his bedroom. Nearby stands the One Pillar Pagoda, a petite, iconic Buddhist monument believed to bring fertility and good fortune, its design inspired by a lotus blossom rising from a pond.

Next, we enjoy an orientation tour of the tree-lined streets of Hanoi, resplendent with French colonial architecture, including the Temple of Literature and the recently restored Opera House. Lunch is included at a local restaurant.

Hanoi Hilton. Take an exclusive guided tour of Hoa Lò Prison, an important historic site in Hanoi. Known to American prisoners of war during the Vietnam War as the “Hanoi Hilton,” the former prison now operates as a museum.

Enrichment: Origins of the Second Indochina War. Explore the underlying causes of the Vietnam War, tracing its roots to the collapse of French colonial rule in Indochina, the geopolitical tensions of the Cold War, regional dynamics involving Laos and Cambodia, the rise of Ho Chi Minh, and U.S. military intervention. One of the first Americans to return to Vietnam after the war, Chuck Searcy has dedicated his life to healing its lingering wounds. During this insightful session, he will share personal stories from over three decades of living and working in the country. Through his eyes, you’ll gain a deeper understanding of the Vietnamese character, the nation’s post-war recovery, and the enduring friendship that has blossomed between former adversaries.

Imperial Citadel of Thang Long. Board a motor coach to travel to Hanoi’s ancient seat of power, the Imperial Citadel of Thang Long. Walk through moss-covered gates and among royal relics in this UNESCO World Heritage site. Weave through the tangled lanes of the Old Quarter, where traditional guild streets still bear the names of their wares.

This evening, join the group for an included dinner in one of Hanoi's many superb Vietnamese restaurants.

Day 11 | Hanoi

Vietnamese Countryside. Journey through Vietnam’s serene landscapes to visit an authentic ancient village, Duong Lam. In this agricultural village of the northern Red River Delta, traditional houses built over one hundred years ago are preserved. A short walk brings you to the village communal house, a fine example of northern Vietnamese architecture where locals worship.

Take an electric buggy ride through winding village lanes and verdant rice fields, appreciating the natural beauty and simplicity of farm life. Then, bicycle to Mia Pagoda to discover the legend of a 17th-century Vietnamese Queen. Inside, you'll find 287 Buddhist statues—more than any other pagoda in Vietnam! Conclude your visit with a tour of a 300-year-old traditional house, where you will enjoy an authentic lunch.

Free Time: Spend the evening at leisure and choose one of Hanoi’s culinary gems for dinner.

Elective Activity: Hanoi Cultural Exploration: Dinner & Jazz. Tonight, enjoy an unhurried evening centered on fine dining and live music, offering a unique perspective on Hanoi's culinary and cultural scene. The evening begins with a transfer from the hotel to a restored French colonial villa, where the four-course dinner features traditional Vietnamese recipes, presented with a refined, modern touch. Afterward, a cyclo ride passes through softly lit streets and past key landmarks, offering a close view of the city's architectural contrasts, followed by a short walk to a tucked-away venue in the Old Quarter. The evening concludes with a live jazz performance in an intimate setting, where local and international influences come together. Available at an additional cost.
